1

TRAVEL VISA

Make sure some countries require visa applications before travel, and some allow them on arrival.

2

PASSPORT

A passport must be brought every time out of the country. Make sure the page is enough.

3

DRIVING LICENSE

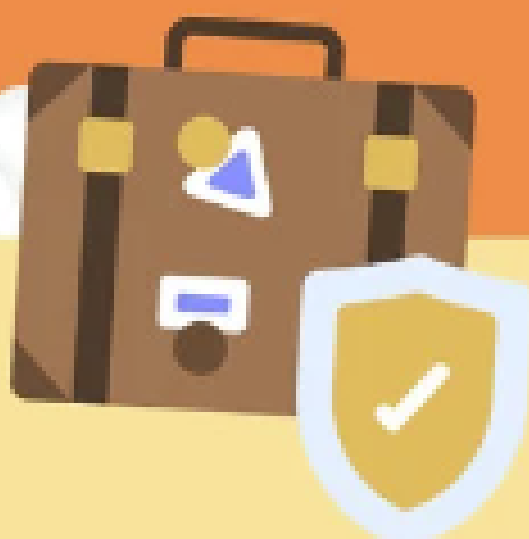

A driver's License is required when you plan to travel by renting a vehicle or driving yourself in the destination country.

4

ITINERARY

You can find vacation destinations, schedules, and activities tourists will do through the itinerary.

5

TRAVEL INSURANCE

Prepare a travel insurance certificate document in printed or digital form.

6

AIRPLANE TICKETS

Although there are many online tickets, tourists are asked to submit proof of printed tickets in many cases. Therefore, print out plane tickets and save them until your vacation is over.
